EMMMANUEL KIRUI

Software Engineering Student | Internship Applicant

Kenya | Phone: 07-2067-658 | Email: Emmanuel Monayo (Gmail address to confirm)
LinkedIn: Emmanuel Kiprop Kirui | GitHub: Kiprop Emmanuel

PROFESSIONAL PROFILE

A third-year Software Engineering student at Zetech University with an interest in web development, software design and technology. Developing practical skills through academic learning and personal projects, including building web interfaces with HTML and CSS. Eager to gain internship experience, strengthen technical abilities and contribute positively to a software development team.

EDUCATION

Zetech University
Nairobi, Kenya

Software Engineering
Third Year | Expected graduation: 2028

TECHNICAL SKILLS

- **HTML5:** Structuring web pages using semantic HTML elements.
- **CSS3:** Styling web pages, applying layouts, spacing, colours and hover effects.
- **JavaScript:** Foundational programming concepts and syntax.
- **Python:** Foundational programming concepts.
- **Database Management:** Understanding database concepts and SQL fundamentals.

PROJECTS

Personal Portfolio Website | HTML5, CSS3

Building a personal portfolio website to present an introduction, technical skills, projects and contact information. Applying HTML structure and external CSS styling, including navigation links and responsive-friendly layouts.

LearnFlow – E-Learning Portal Concept | Technologies to be determined

Developing the concept for an improved school e-learning portal focused on making learning resources easier to access and improving the student user experience. This is a project concept; implementation details can be added as development progresses.

CORE COMPETENCIES

Problem-solving • Communication • Teamwork • Analytical thinking • Willingness to learn • Time management

CAREER OBJECTIVE

To secure a software development internship where I can apply my academic knowledge, gain practical industry experience, learn from experienced professionals and contribute to useful technology solutions.
